*\* It is customary practice among many Orthodox Churches to set aside this 2<sup>nd</sup> Sunday after Pentecost for the commemoration of local saints. As Serbs in North America, we have both the saints of our own North American continent as well as those of our "local" Serbian Church to remember. Given that the feast of the Synaxis of Serbian Saints has its own separate feast on the last Sunday before the Church New Year in September, the Saints of North America seem here to be the more appropriate commemoration.*
